about us

We can work with you if you are aged 16-25, need extra support to meet your learning or training needs and live in Wandsworth.

We can work with you, with or without your parents/carers.

## We can provide information, advice and support on the following:

- Your rights around your education, health, and any care needs, in and outside of your education setting (Sixth Form, College or University).
- How your needs can be identified and supported by your education setting.
- Support with attending a meeting at your education setting or with the council.
- Support to understand an EHC Needs Assessment or to go through your Education, Health and Care (EHC) Plan.
- Information on social opportunities in Wandsworth.
- Support with challenging decisions about your learning or support needs.
- Exploring Post 16 options such as College courses, University and Employment support available to you.
- Other services who can also offer support and independent advocacy.
